THE IRONSTONE MANAGEMENT SERVICES ESTATE WARDENS

As part of our commitment to Long Term Stewardship at Ironstone, Lawley, Ironstone Management Services (IMS) strive to create a safe, clean and secure environment for residents.

One of the many ways that this is achieved is through the Estate Warden Service.

Residents benefit from the Estate Wardens who are a regular presence in and around the first two phases of the village, carrying out a range of duties including grass cutting, maintaining beds, weed killing and leaf sweeping. You will also see the Estate Wardens out

and about, litter picking and helping to keep the development clean and tidy.

As an additional benefit to residents, the Estate Wardens are able to provide assistance and information, passing on any problems or residents' concerns to IMS. Their presence on site also provides additional security for residents and they are often the first to notice any issues.

ROYAL WEDDING 29 APRIL 2011

The Royal wedding is approaching and celebrations are taking place nationwide.

Ironstone Management Services (IMS) are pleased to be able to assist residents who are planning to celebrate the occasion.

There are many ways to celebrate, for example one group of residents have formed a small project team to hold a street party in their area.

Other residents may want to do something similar, or may have different ideas for a get-together.

There is only a limited amount of time now until the event, so residents should contact Kath Hughes as soon as possible, if they require any assistance to plan or stage an event;

kathleenhughes@bvt.org.uk or 01952 630 587

The 'Ironstone Flyer' is published by Ironstone Management Services (IMS) and is intended to be used as a means of keeping residents up to date with local news and information within your community. For all enquiries or further information please contact either John Haywood, Stewardship Officer or Kathleen Hughes, Resident Involvement Officer.

LAWLEY PRIMARY SCHOOL SPECIAL ASSEMBLY

Lawley Primary School recently held a special assembly to acknowledge achievements by its pupils outside school hours including: sporting, music and being especially helpful at home. Pictured are three junior prize winners who entered the Autumn Photography contest in 2010 organised by the Community Vicar, The Reverend Steve Kelly, and sponsored by Ironstone Management Services. All three pupils entered outstanding photographs of the Autumn scene in and around Lawley for which they received prizes and certificates to mark their achievement, presented by Kath Hughes, the Resident Involvement Officer for IMS.

Guy Scott and Jaimie Ramsay joined Community Vicar, Revd. Steve Kelly, to judge the 60 entries for the ever popular Autumn Photography Competition. Kath Hughes, Resident Involvement Officer, and Sandra Price, the Chair of Governors, presented the junior winners with their certificates at Lawley School. Revd. Steve Kelly was impressed with this year's photos. "A beautiful Autumn provided some beautiful photographs!" Watch out for the next competition later this year.
